PRESIDENT: Senator Lewis.

SENATOR F. LEWIS: Mr. President, on Thursday, last, I made a motion to reconsider Legislative Resolution #4. I said at the time that I made it that this issue has been debated many times in this body and unless there were necessary votes available for reconsideration I would not take the time of the body. I think I have visited with each and every member of the Legislature in terms of whether or not they would support the motion to reconsider. Those votes are not available. I want to compliment the 26 that agreed to do so. We do not have the votes to go forward. I do not wish to take the time of the Legislature on a cause for which I do not have the votes. I ask to withdraw my motion to reconsider LR 4.

PRESIDENT: Is there any objection to the request of Senator Lewis? It is withdrawn. Proceed Mr. Clerk.

CLERK: Mr. President, a resolution. Legislative Resolution #14 introduced by a series of signatures. Signed by Senator Rasmussen, as well as many others. (Read resolution).

PRESIDENT: On request of several senators the Chair takes great pleasure in recognizing the Democratic women of the Second Congressional District in the South Balcony. The Chair was somewhat reluctant to recognize these ladies before Senator Frank Lewis' announcement. Nice to have you with us and thank you for coming.

Mr. Clerk.

CLERK: Mr. President, the next matter that would be brought up is Senator Barnett's motion to reconsider our action on LB 126. The motion was first made earlier . . . it's found on page 416 of the Journal.

PRESIDENT: Senator Barnett.
